

Affiliated Physicians & Employers Health Plan - Complete Reissue of ID Card

Dear Member,

Affiliated Physicians & Employers Health Plan (APEHP) is doing a complete reissue of their ID Card. You should receive your ID Card(s) shortly in the mail. The new ID Card replaces your current identification card. Please begin using this card immediately and present to all providers for all of your health care services. It is also important that you advise them that the ID numbers are at the member level and each family member has their own unique number.

New Members:

- If you are a new member you will receive your new ID Card by July 1.
- New members who have elected to have dental coverage will be receiving a separate dental card from Delta Dental or Guardian.
- New members enrolled in prescription coverage will receive a separate prescription card from Express Scripts. Please present the Express Scripts prescription card anytime you purchase a prescription.

Current Members:

If you already have dental and/or prescription coverage, please retain your existing dental and/or prescription card. You will not be getting a new dental and/or prescription card.

You can create a member account at www.qualcareinc.com, where you can print a copy of your ID Card if needed, view eligibility, view your Explanation of Benefits (EOB), claims status, and wellness programs.

If you have any questions, please call Member Service at **1-888-670-8135**.
