Note: There is No Out-of-Network benefit under PLAN J- NETWORK ONLY BASIC PLAN. If you choose to seek services outside of the network, you will be responsible for the full amount charged by the provider. For all Out-of-Network emergency hospital, physician and ancillary services the Plan will pay at the providers billed charges or a negotiated rate, whichever is less. Emergency Care and Urgent Care provided by an Out-of-Network Provider will be reimbursed at the network level, subject to the following: 1) The covered person must call the Plan at 1-888-670-8135 within 48 hours, or as soon as reasonably possible after an Emergency Care and Urgent Care visit. 2) Follow-up care or treatment by an Out-of-Network Provider will be treated as network benefits only to the extent it is Medically Necessary and Appropriate care or treatment rendered before the covered person can continue care provided by Participating/Network Providers.

(1) Some of these services require pre-authorization. For Network services, your physician should obtain pre-authorization for you, however, you are ultimately responsible for pre-authorization for all services (In-Network), otherwise a penalty of 50% of the Plan's allowable amount, to a maximum of $10,000 will be applied. Refer to www.apehp.com for a complete pre-authorization list.

(2) Laboratory services performed in an office setting must be sent to Quest Diagnostics for benefit to be covered 100%. Labs not sent to Quest Diagnostics will be subject to the Out-of-Network benefit or not covered at all if no Out-of-Network benefit is offered.

Note: This summary is not intended to be a comprehensive list of services and is not a guarantee of coverage. Once enrolled, you will be supplied with a Plan Document/Summary Plan Description (SPD) that will detail all covered services.

*Embedded means you can satisfy the Family "Deductible" or the Family "Maximum Out-of-pocket" by meeting the individual amount for any one (1) covered family Member and then any combination of family Members may satisfy the remaining amount. No more than the individual amount will be credited to the Family amount for any one Covered Person and no Covered Person will be required to meet more than the individual amount each Benefit Year.
